Perusal of the reminder from Govt for (H.A., Home Press) for return of Govt. file Pr. 558/45 Pt in action against seditions, songs, 9NA Song - Kadam Kadam Baraye Ja". From the notes under preface bottom it will seem that the file in question was returned to Asst. Secy, H.D. on 9.9.47. The GA's movement book also shows this. The reminder dt-10/10/47 was also returned ^{on 14.10.47} to the Head Asst, Home Press Dept. stating that Govt file no. Pr. 558/45 Pt was returned to Asst Secy, H.D. on 9.9.47. Following endorsement maybe made on the reminder: -

27/12/47

It was pointed out therein that the Govt's opinion already expressed was not affected by the subsequent development in Bombay and he was instructed to seize any such records and prosecute the owner of a shop offering them for sale. In this deptt. Memo: No: 63-Pr., dated 4.2.46, a reply was sent to the Gramophone Co. direct advising against release of the recording of the song. In the p.u.d. the D.I.G., I.B., reports that the song has been recorded by the Co. and is being widely circulated and wants to know if under present circumstances further action is desired in the matter.

It may be noted that in accordance with the instructions of Govt. the D.C., S.B. seized some records of the song and asked in his letter dated 5.4.46 for advice as to disposal of them. In this deptt. Memo: dated 7.5.46 he was informed in consideration of the changed situation in the country that Govt. did not intend to prosecute the owners of firms which possessed the records for sale. This deptt. Memo: No: 63-Pr., dated 4.2.46 was not actually a statutory order banning the recording of the song. It was merely an advice to the Gramophone Co. against such recording. As in recent times this song has even been broadcast from different stations of the A.I.R., the question of banning it does not perhaps arise now. The D.I.G., I.B., may be informed that no further action is desired in the matter.

Sd/- R.K.S.
27.8.47.

Notes above. Whatever might have been the reasons for the issue of the order to the Gramophone Company in February 1946, the present altered condition in the country does not justify any ban on the song "Kadam Kadam Barhaye Ja". This song was recently played on the air by several radio-broadcasting centres.

2. I would suggest that our letter to the Gramophone Co. Ltd., be withdrawn, and the D.I.G., I.B., informed that no action need be taken in regard to the song "Kadam Kadam Barhaye Ja".

This concerns Press Br. file Pr. 558/45 which was submitted to D.A. on 7.5.46 since then there is no trace of the file.
Sd/-
17.3.47.

It appears that the D.A. sent the file on 7.5.46 to Takid of 7.6.46. The movement of the file after that is not traceable. In file No: Pr. 162/46 a drama in Bengali entitled "Netaji" containing the I.N.A. marching song "Kadam, Kadam etc" has been dealt with. Most probably the file No: Pr. 558/45 reg. the song was put up with the said file of which Sudhir Babu is the D.A. He may pl. state the whereabouts of the file No: Pr.162/46.

It is understood that File Pr. 162/46, regarding drama "Netaji Subhas" was submitted to U.S. on 20.5.46. The file No: Pr. 162/46 reg. the drama in Bengali entitled "Netaji" has not yet been received back from L.R. although a reminder was sent to L.R. on 5.7.47. We have waited for a pretty long time for this file assuming that the file No: Pr. 558/45 reg. the recording of the I.N.A. song "Kadam Kadam Baraye Ja" is at the back of the former. The latter file is required for disposal of the p.u.d. As there is no certainty as to whether it is at the back of the file No: Pr. 162/46, we need not perhaps wait any longer for the same.

In file No: Pr. 558/45 we had some correspondence with the D.C., S.B., Calcutta as noted below :-

- 1) Letter No: P.M. 868/45 d/- 21.11.45 from the D.C., S.B.
- 2) This Deptt. d.o. No: 816 Pr. d/- 6.12.45 to D.C., S.B.

As requested, S.B., files No: P.M. 893/46 and No: P.M. 868/45-I are sent herewith for favour of perusal and early return.

Sd/- A.K. Mukharji.
For Dy. Commr. of Police,
Spl. Branch, Calcutta,
14, Lord Sinha Road, Calcutta.

The p.u.d. may kindly be seen. (It could not be dealt with so long as the file No: Pr. 558/45 containing this deptt. memo: No: 63-Pr., dated 4.2.46 could not be traced. The file is still missing, but the papers received from the D.C., S.B. are related to the contents of that file. Consideration of this case may perhaps be taken up now).

In Nov. '45 the Gramophone Co. Ltd., sought advice of the D.C., S.B., if there was any objection to the recording of the I.N.A. marching song "Kadam Kadam Baraye Ja etc." The D.C., S.B. referred the matter to Govt. In reply he was informed in the then Addl. Secy's D.O. No: 816-Pr. dated 6.12.45 that the song was seditious and a Gramophone Co. producing records of it would be liable to prosecution u/s 124A I.P.C. The D.C., S.B. informed the company accordingly. In their letter dated 4.1.46 the Gramophone Co. reported that a firm of Bombay had released a recording of the song and wanted to know what the position was. The D.C., S.B. sought the advice of Govt. whether the production of the record in Bombay would affect the opinion already expressed and also wanted to know what action should be taken if any records made in Bombay were offered for sale or otherwise found in Calcutta. A reply to the points raised by D.C., S.B. was sent under the Addl. Secy's D.O. No: 64 Pr. dated 4.2.46.

170. I.N.A. Internees.

The following typed news script sent by the N.I.P.P. Newsfeature Service, 74 Luxmi Building, Sir P. Mehta Road, Bombay to the Editor, Star of India, Calcutta for publication, has been noticed in the post on 15.10.48.

" While those Indian soldiers who refused to join the Indian National Army are being feted as a reward for their 'loyalty' to the Foreign Government, little is given out about the I.N.A. men awaiting trial. Delhi is thick with rumours about the treatment being accorded to them. Just outside the Capital, near the village of Bahadurgarh a camp has been established for I.N.A. men and according to some reports, conditions there are not very different from those painted in descriptions of internment camps in Germany.

Since the country has been roused in support of the I.N.A. and arrangements are being made to defend these brave men, the 'Law and Order' Government has begun to take 'precautionary measures'. In the Bahadurgarh camp, it is stated, the usual methods are being used to break the spirit of the men perhaps to make sure that in the coming trials they do not give inconvenient evidence. The other day three men, it is reported, were beaten for a minor act of indiscipline.

Since there is widespread anxiety about the conditions in which I.N.A. men are being kept, why should not the Defence Committee appointed by the Congress visit the camp and see things for themselves? The committee's functions may be purely legal, but as a representative body, it should meet the prisoners and tell the country about the conditions in which they are living."

My dear Tolson,

Translation of a Hindi letter from Shanti Sen Gupta, 4 Girish Vidyarthi Lane, P.O. Amherst Street, Calcutta, to Jawahar Lal Nehru, Anand Bhawan, Allahabad.

Although I know you have no time to spare, yet I am writing this letter to you. Hope you will kindly go through it and do what you think fit.

My maternal uncle, Lt. Jyotiranjana Sen Gupta I.M.S. was captured by the Japanese Army in 1942 when he was fighting there. During this three years occasionally the Red Cross of India supplied news about him. He married my aunt in 1939 and after six months joined the army. She is only 23 now.

Not known.
Dec-13-44.

Now we have received a letter from the Adjutant General, India, Simla, that he has been recovered and is being detained for investigation. They suspect him to be an I.N.A. man.

You can easily imagine our condition. My aunt is always weeping and will not take her food. This is a very pathetic scene. She is always thinking of her husband, and I am afraid, if something cannot be done, her life will be at stake.

We have seen your statements in the newspapers about the I.N.A. I am a political worker and was the Assistant Secretary of the Ward IX Congress Committee at Calcutta. My mother is also the Vice-President of the Congress Committee at our native village.

I am taking a part of your much valuable time. Will you please make some time and personally ~~write~~ write a letter to my aunt consoling her stating that you have taken up the cause and are making arrangements to save these patriots- and asking her to take patience.

My hope if she have a letter like this from a great patriotic national Leader like you, this will surely make some relief and belief in her mind and surely she will be consoled making some relief to this wretched family.

Address of my Aunt.

Mrs. Chhaya Sen Gupta,

KHET NARAYN MISSIR said that the Congress-League dispute provided the British Government with an excuse to continue its rule in India and lamented that so long as the foreign bureaucracy remained in this country there would not be any freedom. GOUTAM CHATARJI assured the Motor Transport workers of the support of the students in their fight. ABDUR RAHAMAN, referring to the strikes of the Iron and Steel workers, remarked that instances of highhandedness of both the employers and the foreign Government were on the increase. ANAL GURKHA announced the formation of a C.P.I. controlled Motor Transport Workers' Union in Darjeeling. The President lamented that while millions of people were dying in the last famine the bureaucratic Government was making a profit of 22½ lakhs of rupees out of dealings in Punjab wheat. AJAY DAS GUPTA visualised, in the freedom movements of the Indonesians, the beginning of a revolutionary change amongst the subject peoples of Asia.

A statement of accounts was read out and passed. It showed an ~~income~~ of Rs. 6,558/0/3 during the year under review. The following office-bearers for the current year were elected :-

President :- MOHAMMAD ISMAIL.
Secretaries :- SAMAR GUPTA,
BARIN BANARJI,
Asstt. Secretaries :- KALIPADA CHATARJI,
SUSHIL DATTA RAY.

An executive committee was also appointed.

A sum of Rs. 130/13/3 was collected on the spot for the proposed C.P.I. daily newspaper.

Letters conveying messages of sympathy from Professor K.P. CHATTOPADHYA and MRINAL KANTI BASU were announced to have been received.

Several placards and posters showing united national struggle by the Congress and the Muslim League and the persecution of the communists in the past were displayed. About 25 volunteers in khaki and wearing red badges were present. 5 Sikh with swords in scabbards on their shoulders, stood behind the president.

to liberate India. The I.N.A. committed no crime in seeking the help of Japan for the attainment of its objective. The British Government had the power to do what they chose with these patriots but if they were injured the Government would be hated even more than it is at the moment.

(a) The following circular letter dated 24-10-45 addressed to all Provincial Congress Committees and sent to Secretary, B.P.C.C. C-40 College Street Market, Calcutta, by J.B. KRIPALANI, General Secretary, A.I.C.C. Swaraj Bhawan, Allahabad, was noticed in the post on 28-10-45:-

"You perhaps know that prisoners in the same category as members of the 'National Army' were sometime brought back from Germany and German occupied territories in Europe. These men are believed to have helped the Germans as against the Allies. They are kept in separate camps from members of I.N.A. These camps are spread throughout the country. Recently some information regarding what happened in one of these camps at Bahadurgarh near Delhi found its way into the press. The authorities had to issue a communique in which what happened was called an 'incident' and it was said that 'minimum force' required by the situation was used. This minimum force is said to have included severe beating, lathi and bayonet charge. It is believed that the ~~harsh~~ treatment meted out to these prisoners is harsh and humiliating. They are often subject to what is called "The Fatigue Parades". If any such camps of the Indian-ex-prisoners of war soldiers is situated within your province you will try to get all possible information about them- the number of prisoners in the camp, their general condition, the treatment meted out to them and their likely fate etc. A copy of this information may be sent to the Secretary of the I.N.A. Defence Committee, 82, Darya Ganj, Delhi. The I.N.A. Defence Committee may in the near future send its representatives to the places where such camps are located. In that case you will please see to it that facilities are provided to them to study the question."

"As soon as the nomination for the ensuing Central Assembly elections are final after being scrutinised and the final list of the candidates is ready, you will please gather and send the following information to this office:-

(1) The names of the persons who are contesting the elections against the Congress candidates in your province, stating the party or the ticket on which they stand and the report of their strength.

(2) The names of persons standing for the Muslim League and other Communal or Special Constituencies in your province, stating whether they stand on the league or what other ticket together with a report of their respective strength.

(3) If there is no contest in any Constituency please give the name of the successful candidate stating that they are Congress candidates or to what other party they belong.

The information asked for should be sent immediately after the nominations and the scrutiny as there is very little time between these dates and the date for polling."

The meeting at Tangra Road demanded the postponement of the trial of the Indian National Army men till the elections were over and appealed to the Congress workers in Entally to subscribe ~~workers in Entally~~ to the defence fund of the I.N.A. men. (a) A circular No.3P-1/379 dated 25.10.45 (intercepted on 29.10.45) to all provincial Congress Committees from J.B.KRIPALANI, General Secretary All India Congress Committee, Swaraj Bhawan, Allahabad, a copy of which was addressed to the Secretary, B.P.C.C., C-40, College Street Market states that the main activities of Congressmen have ~~been~~ apparently been confined to the forthcoming election. Considering the attitude of the Government this narrowing of Congress activities to the parliamentary programme is hardly justifiable. Enumerating on the instances showing the attitude of the Government it says that the political prisoners who are in Jail, are subjected to much harsh and inhuman treatment, the I. N.A. prisoners, who should rightly be considered as patriots, are styled as "King's Enemies" the Indian soldiers are used against the Indonesians, who are fighting for freedom and an order has been imposed on prisoners in Jail barring them casting their votes in the election. These actions indicate that there is no desire on the part of the British Imperialism to part with power. To counteract this attitude of the Government, the country should be prepared for all exigencies. It must be ready whenever the call comes. The first task is the perfecting of the Congress organisation. The campaign for the enrolment of members should be intensified and the constructive programme should be followed as far as possible.

In order to make the organisation more efficient and powerful, suggestions are invited as to the changes necessary to be incorporated in the present constitution of the Congress headquarters should be kept au fait with the work undertaken in each province.

KETKAR, General Secretary, Maharashtra Provincial ~~Wkk~~ Hindusabha, Editor "Maratta" Poona was intercepted on ~~20k~~ 30.10.45. The letter is a protest against the movement of Indian troops against the nationalist elements in Indo-China and Java, which deployment of troops is all the more regrettable as India's relations with these countries have always been of the utmost cordiality. The following is a quotation:-

"Today the allied powers stand unmasked. If Japan was an aggressor for having forcibly occupied territories outside her own zone for which she was dubbed as an Axis partner, no less heinous are the acts of the Allied powers themselves who want to reoccupy territories from which they were dispossessed and thus deprive the inhabitants of those lands of that freedom which is their birthright."

DR. MUKHARJI considers a struggle between the East and West inevitable if the present policy of domination and exploitation by the western powers continues unchecked. The 4th November will be observed all over India for agitation for the release of I.N.A. personnel and as an opportunity to express India's sympathy for the S.E. Asia nationalist movement.

0- This 'Day' which was directed by the Congress President to be observed on 28-10-45 with a view to express sympathy with the struggle for freedom of the Indonesians and to protest against the employment of Indian troops against them attracted very little enthusiasm in Calcutta. Five meetings were held (as per list attached) but the audience in all totalled 300 only. Also a flag hoisting ceremony by about 10 persons was performed at 48/6/1 Tangra Road and a procession of about 8 persons headed by DEBRATA RAY (ESP-I.F.) moved near about the junction of Rash Behari Avenue and Lansdowne Road. In general the speakers condemned the British, French and the Dutch for their imperialist designs in Indonesian and protested against the use of Indian troops. Of the five meetings the one held by the Forward Bloc calls for some mention. ASWINI KUMAR GANGULI spoke in praise of SUBHAS CHANDRA BASU and observed that it was his responsibility to rouse the national feelings of the Indonesians. DR. SOMESWAR CHAUDHURI exhorted the audience to follow SUBHAS'S ideology. "March to Delhi - Break the Red Fort" should be their battle

We propose to collect full particulars of all the I.N.A. men wherever they might be. There is also the question of helping the families of those who died. We have been especially asked to undertake this work. All this means work on a very big scale. I think we should separate this work from the actual defence work. I have suggested, therefore, that a separate Committee be formed called the I.N.A. Inquiry Committee which should undertake all work connected with the I.N.A. other than legal defence work. If you approve of this, you might appoint such a committee. For the moment I cannot think of many suitable names who can work in Delhi. Perhaps to begin with it might be desirable for you to nominate three persons to organise such a committee. These three persons might be RACHUNANDAN SARAN, KHURSHED NAOROJI and me. KHURSHED NAOROJI is already working in Delhi in the I.N.A. office. "

" I am receiving demands from all over the country for election tours. I do not know what to do and where to go. I should like to go to the Frontier Province and to Bengal specially. Of course my own province has a prior claim on me. I have so far not visited great cities such as Benares, Cawnpore, Agra and Meerut, or ~~xx~~ many of the ~~afflicted~~ afflicted areas. Much time is being taken up by the I.N.A. work and the National Planning Committee.

There is a matter which distresses me. I find, almost everywhere that I go, small cliques controlling Congress Committees and preventing enthusiastic workers for coming in or doing any work. There is a very big gulf between these Committees and the public. The public is enthusiastic for the Congress but often the Committees are not popular. They are ~~stale~~ stale and old and often consist of people who have never worked.

From such reports as I get the situation in the Punjab is very unsatisfactory and the same old groups which have done so little in the past are ~~xx~~ again in control and new people are kept out.

Also reports in the papers of some nominations for the elections are surprising, specially from the Punjab, Sind, and Bengal. I know that you are in a better position to judge and I should not interfere in any way. I do not propose to interfere but I wanted to tell you how distressed I was about all this. If I go on an election tour it becomes very difficult for me to say anything in support of a candidate who seems to me to be undesirable. Questions are put to me and I do not know how to answer them, because my own previous statements are put before me.

I received your telegram last night about RAFI (~~XXXX~~ RAFI AHMED KIDWAI - Ex Minister U.P. now in Calcutta.)

"
Subversive
Activity"

At a street corner meeting (50) held on the night of 2.11.45 at the crossing of Russa Road and Kalighat Road two unknown Bengalee youths delivered speeches eulogising SUBHAS BASU for his efforts to free India and opining that the Indian National Army, which was created by him, would ultimately set India free. They added that another imperialist war would break out within the next ten years and India would attain her independence by taking advantage of that war. They appealed to the public to contribute to the I.N.A. defence fund started by the Congress.

Appropriate slogans were shouted and a tri-coloured flag and a printed and framed portrait of SUBHAS BASU were displayed at the meeting.

29

Under the leadership of SUBHAS BASU the I.N.A. had set a fine example. British Generals had fled leaving their men in Burma and Singapore and these men committed no crime in trying to liberate their motherland by violent means. A national government would never have tried them as rebels but would have tried those who had captured powers by wrongful means. Certain of the I.N.A. men were being tried under Ordinance III and some had already been hanged or shot in secret: this was murder pure and simple similar to the acts ~~perpetrated~~ perpetrated by HITLER on the Jews. United action should be taken to stop such murders. It was doubtful whether India would be ~~xxx~~ able to achieve freedom through constitutional means after the election and so he was touring the whole country with a view to prepare her for alternative action.

NARENDRA NATH DAS observed that it was of no avail expressing sorrow for the I.N.A. men who had already been shot. They would also not pray for mercy for the I.N.A. prisoners but out of their ranks would spring up crores of patriots who would liberate their motherland from the bands of slavery.

court martial as a mockery, (3) exonerating them from any charge of treachery as their aim was to drive out the British

(4) condemning the execution ~~xx~~ by shooting and hanging of certain of the I.N.A. men after the holding of secret trials under Ordinance III, (5) denouncing the use of Indian troops in suppressing the Nationalist movement in Indonesia and Java, (6) suggesting the holding of a Conference of representatives of Asiatic countries to put a stop to exploitation by imperialist Western powers like Britain, Holland and France, (7) demanding the immediate release of the I.N.A. men.

DR. S.P. MUKHARJI said that no nation could achieve independence or maintain it without a national army. It was the atomic bomb and the military achievements of the U.S. Army and the Red Army, that had led to the allied victory. The cult of non-violence had ~~vibrated~~ vibrated the whole atmosphere of India: No nation could preserve itself merely by practising non-violence. The British had made Indians effeminate by keeping them disarmed for two hundred years. The British agreed to give them arms only in their own interests at the outbreak of the war. These trained soldiers might one day expel the British from India.

It was the duty of the T.U.C. to prepare the country for a general strike and if everybody responded to "QUIT INDIA" slogan would be successful. Both SHIBNATH BANARJI and NIHARENDU DATTA MAZUMDAR disclosed that AMAR SINGH GILL and JYOTISH BASU of the Presidency Jail and HARI DAS MITRA and PABITRA RAY of the Alipur Central Jail were awaiting their death sentences. AMAR SINGH refused to sign the mercy petition and stated that GOBINDA KAR was in a very bad state of health with four British bullets in his body, the reward for fighting against the military and the Government.

Dr. CHARU BANARJI observed that they would not spare British Imperialism if the I.N.A. men were punished. He criticised the C.P.I. as an enemy of the country and appealed for a general strike to save the I.N.A. prisoners.

A resolution was passed emphatically declaring the trial of the I.N.A. men as unjustified and demanding their immediate release.

A procession (100) of press workers joined the meeting.

Copies of a printed Bengali leaflet headed "Azad Hind Fouzer mukti chai" issued by Hindusthan Mazdur Sevak Sangh (Bengal Branch), 36AF, Hindusthan Building, were distributed in the meeting. Besides containing the military song in Hindusthani of the Azad Hind force (already out in the Press) the leaflet appeals to all Indians to start a tremendous agitation for the release of the I.N.A. prisoners who have been described as brave and sincere patriots.

6.11.45) At a meeting (500) held at Graddhananda Park on 3.11.45 with MRINAL KANTI BASU as president the speakers observed that British Imperialism had no right to sit in judgment over the Indian National Army prisoners who fought for the freedom of India and demanded agitation for their release. The president stated that the persons who had arranged this farcical trial merely as a pretext to hang their victims, would themselves be hanged had India been free.

National Army formed by SUBHAS CHANDRA BASU for their efforts to free India from British imperialist domination, condemned the action of the British Government in placing its officers and men on trial although the Free India Government for which they fought earned an independent status, demanded the immediate release of all I.N.A. men and also appealed to the people to donate liberally to the I.N.A. Defence Fund launched on behalf of the I.N.A. Defence Committee which the Congress had set up.

TINCOURI GANGULI said that the tortures inflicted by the British on political prisoners in jails could only compare with those of in the Belsen camp. PRABHAT GANGULI referring to the I.N.A. trial observed that the Government never lacked ingenuity in finding out new methods of persecution. At the Cornwallis Square meeting, SUSHIL MUKHARJI said that Government were after the blood of the I.N.A. men and warned Government that the people, too, knew how to take blood for blood and that

they would certainly take it if necessary. He asked the audience to give a fitting reply to British Imperialist barbarism. A resolution was passed demanding the release of the I.N.A. men and suggesting that Cornwallis Square be renamed "Azad Hind Park". At the mass meeting at Shradhdhananda Park, SYED NAUSHER ALI whose speech appeared in extenso in the press, said that the I.N.A. established under the leadership of immortal son of India, aimed at the liberation of India from foreign yoke. These valiant fighters were being tried by an unsympathetic and alien Government. The I.N.A. killed the demon of communalism. He called the day of the beginning of the I.N.A. trial a memorable day. forces but their efforts to obliterate Indian aspirations had failed. The Azad Hind Fouz was formed at the most opportune moment to strike at the British Government. Dr. KHAGEN SHARMA remarked that the I.N.A. aimed at giving material shape to the "Quit India" resolution. He exhorted the people to continue the fight against British Imperialism to the end.

A picture of SUBHAS BASU, decorated with flowers, was placed on the dias and one minutes silence was observed as a mark of

respect to his memory. Funds for the defence of the I.N.A. men were collected at the meeting and pictures of SUBHAS BASU were offered for sale at the gate.

Two processions of students, one from the Carmichael Medical College (100) and the other from the Campbell Medical School (70) joined the meeting.

At the latter meeting (700) with QARI RAHMATULLAH LAKHNAVI as president, MADAN LAL MISSIR stated that the oppressions

Jallianwalabaghs everywhere. CHINTAMANI remarked that the British Government wanted to keep India in bondage and to this end practised oppressions on the people. There were incidents of shooting at crowds, looting and burning of villages and dishonouring of women at many places, including Ballia.

C.I.D. men were primarily responsible for these outrages. SWAMI VISHWANAND dubbed the British Government bankrupt and remarked that it was under the stern control of America.

At about 1.20 p.m. the same afternoon two persons were noticed proceeding along Harrison Road with a Congress flag and announcing the Satnarain Park meeting. One of these men addressed small gatherings

On 28.11.45.

Two meetings were held on 7.11.45 in observance of the day, one at the University Institute Hall and the other at Satnarain Park under the auspices of the All Bengal Medical Students Association and the Burrabazar District Congress Committee respectively. At both the meetings speeches were made eulogising the I.N.A. men as true national heroes who fought for the freedom of India. Government was denounced for court-marring them, and their immediate release was demanded. An appropriate resolution was passed.

At the former * meeting (1000 including 50 ladies) with Dr. SHAMAL SEN (incompletely identified) as president, SAILLEN GHOSH stated that the British harnessed all reactionary

however, be better that you give some of your time to western U.P., and the Punjab, and, if possible, to Sindh also.

So far as Bengal is concerned, I would suggest that it can be postponed, till the meeting of the C.W.C., as GANDHIJI is coming here in the beginning of December, and will stay here for a month. I am thinking of calling the C.W.C. and the meeting of the Central Election Board in Calcutta in the last week of December. At that time, you may give as many days to Bengal as you like.

It would have been better if we could meet in the near future, for some important talk. I am leaving for Bindhachal to-day. Would it be possible for you to spare one or two days to meet me there, after your return from Bombay. It would be a kind of diversion also.

The time of RAY'S arrival has to be reconsidered from the viewpoint of GANDHI'S arrival in the ~~end~~ of November and his stay till the middle of December (?) GANDHI will visit interior districts and address large peasant gatherings. The I.N.A movement has caught on with the middle class. At the time of GANDHI'S visit the party programme may be hampered and clashes even may be expected. The labour seats are in a mess. JATIN BABU (JATIN MITRA) is going to the collieries today. KARLEKAR is on his way back from the D.H. Railway at Kurseong. NALIN SEN has gone to Barisal for two days and will be back in a day and he will look into the Barisal party. The writer is leaving at once for Sylhet. On receipt of a letter stating that prospective candidates of that district have approached the party. NALINI BABU (NALINI SEN) may go to Cuttack. MAHANTI (MADHUN SUDAN MAHANTI of Orissa) has sent for workers to canvass for him during his Central Assembly Election. The writer will break his journey at Patna on his way to Dehra Dun where he hopes to arrive on the 19th or 20th. 7

SUREN GHOSH alias MADHU said that the 1942 struggle had failed. The people must shake off the fear of death and take up the unfinished work of C.R. DAS and SUBHAS CHANDRA BASU by preparing themselves for the imminent struggle for freedom.

NIHARENDU DATTA MAZUMDAR said that it would have been matter of glory for him had he been able to enter India as soldier of the I.N.A. under SUBHAS BASU. The Fifth Columnists (Communists) went over to the side of the British and betrayed the country in her dire distress. He suggested the following programme for the next fight for freedom.

(1) Total patriotic war for the liberation of the Motherland. (2) Man-power and resources would have to be totally mobilised. (3) Every house in every town and village would have to be converted into a fort and war materials would have to be manufactured. (4) Six thousand Congress Committees would have to be set up in the rural areas of Bengal within the next two years and AZAD HIND volunteer corps organised. Supply bases for a Guerilla Army would have to be formed to supply rations, arms and uniform to these volunteers.

AMIYA BASU said that the 1942 movement and the I.N.A. Campaign had unfortunately failed to avert a repetition of these failures, the Congress should have to be strengthened by bringing all Communities and organisations within its fold. They should be inspired by the ideal of the I.N.A. The Communist traitors must be kicked out of political life for good and all.

A photo of SUBHAS CHANDRA BASU was exhibited on a post in front of the dais. The usual slogans - "Lal killa Tor Deo" (Break up the Red Fort) etc. were shouted and Congress flags were displayed. About 25 volunteers in plain dress wearing tri-colour congress badges were on duty at the meeting.

In reply ARDHENDU SEKHAR MITRA (ESP) stated that many freedom-loving people were still detained in jail by the British Imperialists who were trying to retain a firm grip on the country and urged

the people to agitate against this policy. He criticised the nationalist Press for giving proportionately too much publicity to the I.N.A. men and far too little about labour strikes retrenchment etc. Referring to the I.N.A. men he held Government responsible for their having gone astray and considered that this would not have happened if the British Government had formed a national government at the centre.

and presided over by Miss
SAILA SEN (E.SP.), BISWA-
JIT SEN stated that a
mistake was made in
1942-43 in not dealing
effectively with their
enemies (pointing out
the Police). The students
should be organised and
be ready for the next
struggle which would
come within 8 years.
He warned the British
Government that serious
consequences would follow
if the national leaders
and the I.N.A. men were not
released. Referring to his
party (B.V. group) he

observed that they remained underground
in 1942 when the Police committed oppressions;
now they were taking the opportunity to
organise and strengthen themselves. CHITTA
GUHA RAY observed that they should follow
the advise of SUBHAS BASU and organise
volunteer corps to be named "SUBHAS Brigade".
"NEHRU Brigade" and "Rani of Jhansi Brigade"
the members of which should observe the
organisation and the discipline of the
I.N.A. and should take an oath to be
prepared to shed every drop of their blood
for the liberation of their country. The
Azad Hind Fouz was born of the oppressive
treatment of the British Imperialists.
This Fouz advanced as far as Manipur only
to see that their countrymen were not
prepared to support them. The B.V. Group
should organise volunteer corps and
should have a constructive programme which
would also contain the element of destruction.
They should have units in every college,
school and village which would play the
role of guerrilla fighters if necessary.

NARAIN DATTA stated that a real "people's
war" had been started by the Indonesians,
which would extend to India and other parts
of Asia the flame of which would consume
their rulers. All Indians should be prepared
to avail themselves of the opportunity and
should not repeat the blunders of 1942.

The INA shows the desperate situation of
our nonviolent generation. It stands as
a historical monument for the immaculate
patriotism of Subash Babu. They represent
represent a selected bunch of our flower
youth who can do some thing more than
arm chair politicians. They are the people
who can mobilise and lead us in the future.
All of them should be saved. To quote Sarat Bose
"Not even a hair should be touched." The needs
among them should be helped and reparations to
be made for those already hanged. Every
effort should be made to save those who are
condemned and waiting for execution. As
there are hundreds of them to be tried; nation-
wide preparations are to be carried out to
retaliate the government if they ~~do not~~ do
not surrender to the national demand.

In pursuance of the appeal of the B.P.S.F. (New) under the directions from the A.I.S.C., the Day was observed by the students of Calcutta on 12.11.45 and there were strikes, processions and meetings. A complete strike was observed by the marginally noted institutions. There were partial strikes in Beltala Girls' College and School, Oriental Academy, Nasiruddin H.E. School, Deshbandhu Girls' School, Kidderpore Academy and Calcutta Engineering College. The strikers took out processions from their respective institutions and paraded in the streets shouting appropriate slogans. At about 11.00. a.m. about 100 students of Raja Manindra School formed into a procession and marched to the Kumar Ashutosh Institution, where about 50 other students joined the procession. The processionists then paraded through Indra Biswas Road, Belgatchia Road and Olai Chandi Road and thence to the Monkhar Academy. About 50 students of this institution joined the gathering and the combined procession went to Tallah Park where a meeting was held. At this meeting an unknown student (dark, aged about 18/19 years, medium build and height) eulogised SUBHAS CHANDRA BASU and his AZAD HIND FOUZ and remarked that the Britishers had no right to try them as they had fought for India's independence. The students of the Ripon College and the Collegiate School held a meeting in the common room of the College. The gate of Folly Academy was decorated with Congress flags and the following posters were exhibited on the wall:-

and it is pointed out that in it no mention has been made of giving bread to the workers or land to the peasants or of rehabilitating the famine stricken Muslim masses, neither is there a clear cut policy for the capture of power from the bureaucracy which turned Bengal villages into tombs. Freedom, whether in Hindustan or Pakistan, will not come as a gift from the British.

In the leading article headed "Work or dole for the unemployed" the paper refers to a published report estimating that there will be 4,15,000 unemployed in Bengal within the next six months and says that only a shameless imperialist Government could thus admit its own inefficiency.

(b) In its editorial "What should the Muslims do for the Azad Hind Fouz" the Rozana Hind dated 11.11.45 commends the Muslim League policy of rendering assistance to I.M. I.N.A. personnel and condemns the British for calling members of the Fouz traitors. It considers that it is a frequently employed device of the British outwardly to sponsor freedom movements in enslaved countries while at the same time they made no efforts to emancipate the peoples under their own domination. The peoples of India were enslaved through deception, betrayal and dishonesty of the British and the strength of the British armed forces.

(b) In a letter dated 12.11.45 (intercepted on 13.11.45) to MAULANA ABUL KALAM AZAD, President, Indian National Congress, Vindhyaachal, (M.P.) PRAFULLA CHANDRA GHOSH, 14/8, Garisht Road, Calcutta writes:-

"After my return to Calcutta on the 9th I learnt from SJ. SURENDRA MOHAN GHOSH that a telegram was sent to you about the Final nomination of Central Assembly candidates. My name was also put in as one of the senders of the telegram. But I knew nothing about it before it was sent. SARAT BABU was keen on having SJ. DEVENDRA LAL KHAN of Narajole and SUREN BABU was also willing to accede to his request. But the manner in which it has been done has been far from happy and satisfactory. Now SJ. NAGENDRA NATH MUKHARJEE is to contest Dr. S. N. APRAJITA from the Calcutta Suburbs. Burdwan Division would have been a better place for SJ. MUKHARJEE. SARAT BABU from the beginning was committed to have SJ. DEVENDRA LAL KHAN and I told you about that. At the last moment he withdrew from Burdwan Division although that was the place from where he proposed to stand and get nomination from Central Parliamentary Board for that seat. SARAT BABU is working absolutely on party lines and SUREN BABU somehow or other sails with him.

Under the circumstances I feel I shall be of no use in the Election Board which might be formed for the Provincial Election. I am thinking of remaining out of the election altogether. It seems to me that SARAT BABU must have his own way. If I can fit in with his ideal I am all right, otherwise trouble will arise and people will then say - SUREN GHOSH was for unity, but it is PRAFULLA BABU who spoilt the atmosphere of unity in Bengal. I do not think I can be party to all that SARAT BABU will be doing. So it is better for me to keep out. If you feel that as a member of the Working Committee I have my duty and responsibility in the matter and I must discharge that, I may have to request you to relieve me. But I shall not take any such step without consulting you, BAPU (M.K. GANDHI) and SARDAR (B.P. TEL). There are other things also which I do not want to write in a letter which goes by Post. I am feeling very much unhappy and worried.

You asked me to write to BAPU about the meeting of the Working Committee to be held in Calcutta in the last week of December. We are now trying to fix BAPU'S programme. If we keep him in Calcutta from 25th to 29th December I hope that will do.

In a letter of the same date to SARDAR VALLABHAI PATEL, Nature Cure Clinic, Poona, Dr. GHOSH briefly mentions that he has written MAULANA AZAD describing his trepidation with regard to SARAT BABU'S conduct of election affairs in Bengal and states that he has asked to be relieved of all responsibilities which attach to his position as a member of the Congress Working Committee. He is contemplating proceeding to Wardah on the 20th and

The "Asre Jadid" in its editorial in the issue dated 3.11.45 refers to the editorial in the "Viswamitra" dated 3.10.45. The "Viswamitra" stated that the Congress has 2 rivals in the political field, the British imperialists and the Muslim League. As the Nationalist Muslims do not wish to form a separate organisation of their own, they are aligning themselves with the Congress and for this reason they will need considerable sums of money and the paper appeals to business for 1 crore of rupees which will be spent on ensuring that Nationalist Muslims are returned in the forthcoming elections. The "Asre Jadid" points out that previously the "Vanguard" of Delhi had published information that the Nationalist Muslim Parliamentary Board was demanding 2 crores of rupees from the Congress for election purposes. This further article in the "Viswamitra" will pain the average Muslim who will lament that members of his community are considered to be such easily purchasable commodities.

It is therefore suggested that you will kindly take the trouble of publishing these photographs in the form of an album and offer same to the public at a reasonable price, say Rs 5/- or Rs 10/- each and the money thus collected may be forwarded to the I. I am sure you will receive very good response from the public and will also do a worthy service to the Country by thus fostering national inspiration in the hearts of buyers and also by collecting money for a good cause.

National Army, criticised the British for trying to suppress the I.N.A. personnel who carried on a patriotic fight to free India, and urged the people to secure the release of the I.N.A. men. They also denounced the Communists.

HARANATH CHAKRABARTI mentioned a press report in which two Sikh soldiers, both of whom had been decorated with the Victoria Cross, had been grossly insulted in an English Restaurant because they were Indians. Their distinguished help to Britain in the war had been met by racial hatred.

B. MAZUMDAR suggested that a memorial should be erected to the Indian National Army and said that this Army would be strengthened by recruiting soldiers from the British Indian Army and British guns would not be able to check them. Urging Indians to follow the ideals of SUBHAS BASU and the I.N.A. RAMEN DE appealed to the uniformed police and police reporters indirectly and secretly to help the national movement and to contribute money to it. He added that he knew that Indians in the police service were badly treated and were paid less than Europeans. KRISHNA CHATARJI said that the police and other Government employees worked under Government only because there was no alternative employment elsewhere, but some day they would use rifles in the opposite direction.

SUBHAS BANARJI (incompletely identified) exhorted women and children to wear lockets containing SUBHAS BASU'S portrait. HEMA PRABHA MAZUMDAR said that the British established their domination in this country through treachery and educated Indians to become police darogas, reporters and Communist spies. She asked the students to put them to ridicule and hatred by pointing them out to the public and also to tell the people that the Communists called SUBHAS BASU a traitor.

Resolutions were passed (1) protesting against the trial of the I.N.A. men and the action of the police in certain provinces in making lathi charges on student demonstrators and (2) demanding the release of the I.N.A. and all political prisoners and the lifting of the ban on the Forward Bloc and other political organisations. A portrait of SUBHAS BASU was displayed and six gramophones of his speeches were played, which urged the people to avail of the opportunity presented to them by the war, in order to end British domination.

NOTE: Objectionable references in these speeches are being examined.

Dear Mr. Editor,

I thank you for giving your readers opportunities for expressing their pent up feelings on matters vitally connected with Indian life. It gives them opportunity not only to read but express what they feel strongly.

I should like to write on various topics and "Orient" is the only paper up to my heart, and I have been reading it regularly for 3-4 years. But I don't know if you would like them.

I wrote a longer article on I.N.A. for I did not know how much space is covered by 100 words but I have reduced them to the present length. Do you think a slave can repress his feelings so long he is not free?

I should prefer not to come in limelight for various reasons. So please do not publish my full name if you ever publish my article. I have no photo fit enough to send to you.

Thanking you,
Yours faithfully,

Sd/- S.M. Prasad

Dear Mr. Talukdar,

Enclosed herewith is the text in Bengali of the "I.N.A. Song" and its approximate translation into English. Mr. Evans of the Gramophone Co. Ltd., came to see me yesterday and stated that he had been approached to have recordings made of this song and wished to know whether there was any objection. I informed him that I would take the matter up with Government and in the meantime he should not undertake the work. I have consulted the Deputy Inspector General, Intelligence Branch and he has expressed the view that it would be most undesirable for the "I.N.A. Song" to be given publicity through the medium of gramophone records. I am of the same opinion and I would be obliged if you would confirm that Mr. Evans may be informed accordingly.

It would also be advisable for Government to express an opinion with regard to what action is considered necessary with regard to other such recordings of inflammatory and subversive songs that may come to our notice.

Yours sincerely,

Encs.

CONGRESS - 17.11.45.

212. 57th Birthday Celebrations of JAWAHAR-
LALL NEHRU

M. Rs. 30702-3.
17.11.45.

Two meetings were held on 14.11.45 in this connection - one under the joint auspices of B.P.C.C., B.P.S.C. and the Chhatra Samsad and the other under the auspices of the Burrabazar Congress Committee with Prof. HUMAYUN KABIR and BEPIN BEHARI GANGULI as presidents respectively. At both the meetings speeches were made paying high tribute to JAWAHARLAL for his manifold qualities of head and heart and reiterating faith in the Congress leadership.

<u>*Speakers</u>	At the former * meeting (400) held
1. President.	at College Square, BHABABHUTI

10. Miss ANU BANARJI.	would cry to the people to
	revolt to end the oppressive
	rule of the British masters.

JAGAMOHAN BASU remarked that it was the sacred duty of every Indian to rise in revolt to destroy British rule and to carry on the struggle till India was free. Before this meeting started PRAVAT GANGULI hoisted the Congress flag and explained the meaning of its design.

GANDHI were now trying to take upon themselves some of the reflected credit of the patriots who had fought in this movement. This was entirely incorrect as the Pandit had always supported this movement. British papers had been compelled to remark that India to-day is an arsenal that may explode at any moment. A lot had been said about the reprieve of the Asthi and Chimir prisoners but until quite recently the audience would have wept if they could have seen the oppressed condition of the

NJ.

people in this part of the country who had been frightened and terrorised by the Government. Now, after NEHRU'S release, all these fears had been driven away and the people were prepared to make sacrifices in the cause of freedom. It was Indian units which had stopped ROMMEL in the African Desert but the manner in which they would be rewarded was apparent in the Government's attitude towards the I.N.A. prisoners. Although Pandit NEHRU is an advocate of Ahimsa he also believes that recourse to HIMSA should be taken in the national interests. Under the leadership of Pandit NEHRU and with the support of the masses it should be the foremost ideal of everybody to achieve the freedom of their country. PANDIT DEODUTT MISSER remarked that at the beginning of the August 1942 movement some doubt was expressed whether it was the right method to take to try and achieve political freedom. It was then that Pandit NEHRU boldly supported the movement and shouldered all responsibilities for it. Many people had blamed PANDITJI for supporting violence but this stand of his had subsequently been shown to be correct and had made him the idol of the people. BEPIN GANGULY, the president, regretted that the Government had refused permission to Pandit NEHRU to go to Indonesia to study the disturbances there. In spite of the wishes of the people many good men of their country had been hanged by the British.

BHUPATI MAZUMDAR urged that the message of the Congress should be carried to every home in order to foil the imperialist game of setting up rival parties. Dr. PRATAP GUHA RAY said that the British would not quit India merely by the asking. If Indians were really bent upon driving the British away, they should do so effectively and the Britishers in India would be doomed because they were numerically so few and were scattered all over the country. KSHITISH SANYAL said that the British were determined to crush the I.N.A. men and as the people would not be able to save them by legal means, it was necessary to adopt illegal means.

215. Bengal Provincial Hindu Mahasabha
Election Campaign.

17.11.45.

At a meeting (3, 500) held on 14.11.45 at Sraddhananda Park DR. S. P. MUKHARJI who presided criticised the Congress and MR. GANDHI for following a policy of appeasing the Muslim League and sacrificing Hindu interests and for their anti-democratic attitude in the ensuing elections. He stressed the necessity of Hindu Mahasabha representation in the Central Legislature to safeguard Hindu interests. (The "Quit India" slogan was not relevant when considering the relevant merits of Congress and Hindu Mahasabha candidates as it was supported by both parties. Referring to the I.N.A. trial he stated that the I.N.A. fought to drive out the British from India and their trial by their enemy was thus farce. The Hindu Mahasabha was the only party, under SAVARKAR'S leadership, which called upon the Indian youths during the war to avail of the opportunity of acquiring military training. The Congress and MR. GANDHI did not support this policy. Had the people listened to the Congress there would have been no I.N.A. to stagger India and the rest of the world by their patriotic performances. There was no place for MR. GANDHI and his creed of non-violence in Indian politics and SUBHAS, who held different views from GANDHI, had been expelled from the Congress for this very reason. Detailing his services to the country, DR. MUKHARJI refuted the charge that the Hindu Mahasabha betrayed the interests of the country. While referring to his proscribed letters while in office to the Viceroy and MR. CASEY, whom he has asked to withdraw the ban, ~~xxx~~ on the publication of his correspondence he stated that he would soon publish the relevant letters for the information of his countrymen and for their verdict whether or not he was guilty of betraying the interests of his country. Even if the ban was not withdrawn he would read out the letters in public meetings.

Copies of a printed English leaflet headed "Our righteous and glorious struggle" and a Bengali leaflet headed "Keki Kariyachhan" (Who has done what) recalling the services rendered by the Hindu Mahasabha to the country and urging people to champion its cause in the forthcoming election, were distributed at the meeting.

British

throwing

BANKIM MUKHARJI said that political prisoners, including members of the Ghadar Party, had done many years ago what the I.N.A. men had done recently. The British were not justified in staging a mock trial of the I.N.A. men. The Communist Party undertook the responsibility of uniting Hindus and Moslems and aimed at establishing a "majdoor and Kisan Raj" in India by uprooting it by 1946 in the same manner as the workers and peasants of Russia destroyed Tsarist imperialism through the November Revolution and set up their own Government. The speaker added that if Indian troops were not withdrawn from Indonesia there would be a general strike all over the country and all docks, ships, and railways would be immobilised.

JYOTI BASU said ironically that the valiant British Government which had fled before the Japanese attack now tried to suppress the Indonesian struggle for freedom with guns and bombs.

SHOME NATH LAHARI said that as a result of oppression and exploitation under British rule lakhs of people in Bengal died of starvation and the villages were deserted. The people should abandon internal quarrels and dissensions and unite under the Congress League and Communist Party on a common platform. British Imperialism would be destroyed and a peasants and workers Government would be established, as in Russia.

A combined labour procession (10,000) arrived at the park from Wellington Square where a large number of processions, as mentioned below, had converged earlier in the day. Two Sikhs withdrawn swords were noticed in the procession. The different unions and Party Committees participating in the demonstrations are mentioned in Appendix A.

D.N.S 19.11.45

The leaflet mentions the barbarous hooliganism of a band of youths during the last few days in different parts of Calcutta directed against workers of the party selling party papers. On 11.11.45 BHOLA BAGCHI (incompletely identified) a Communist worker, was assaulted at the Shambazar Baghbazar junction and a paper was snatched away from him and torn. Certain students of the Carmichael Medical College rushed to the place, but there was no disturbance, thanks to the forbearance of the C.P.I. workers.

(NOTE:- According to another agent, this assault was engineered by the R.S.P.I.- vide para: 225).

There were similar incidents in front of the Kalika Theatre in South Calcutta, at Nutanbazar, in Harrison Road and other places. The leaflet condemns such attacks on the party by anti-Communist people, like the British Government, are afraid of truth and the free expression of opinion, and appeals to the public to sink their differences and unite in order to protect truth and justice from hooliganism.

TERRORIST GROUPS - 20.11.45.

243. R.S.P.I. - Indian National Army
Defence Fund, Bengal.

18.11.45.

It is reported that early last week AMIYA NATH BASU, Secretary of the Indian National Army Defence Fund started by SARAT CHANDRA BASU (E.S.P., -F.B.), requested KSHITISH BHANUMIK (E.S.P.) of the R.S.P.I. to meet him at his house, but KSHITISH did not comply. Instead he informed AMIYA NATH BASU that he would be prepared to meet him at the B.P.C.C. Office, College Street Market. A few days ago, it is understood, AMIYA NATH BASU came to the Congress Office and met KSHITISH BHANUMIK in the room of KALIPADA MUKHARTI (E.S.P.), Secretary of the B.P.C.C. AMIYA said that several branches of the I.N.A. Defence Fund would soon be formed in Calcutta and the suburbs as well as in mofussil districts, and requested KSHITISH to provide workers and to take over the work of management of the district branches under the R.S.P.I. KSHITISH told AMIYA that at present he was preoccupied with other urgent work but after discussing AMIYA NATH BASU'S proposals with party members he would communicate their decision to him in due course.

"Jeshbandhu" C.R. Das told:-

"If struggle for freedom of my motherland is regarded as crime, then I am undoubtedly a criminal".... How significant and ridiculous these words are!

P.S. Sri Subhas Bose is a true patriot of India. He is a George Washington of U.S.A. and a Valera of Ireland, though his noble ambition of obtaining India's full freedom has failed. Still he was a praiseworthy, hero, patriot, in all sides, to India. Subhas Ki Jai! Jai Hind!! "Azad Hind - Fauz" ko Chhore Deo!!! Congress Ki Jai!

23.11.45.

GOPESWAR DAW (E.S.P.) returned to Calcutta on 27.11.45 from his mofussil tour (vide para 289 (b)). He said that he had been to Chittagong.

The office and activities of the DIPAK SANGHA at 5 Paddonath Lane, Shambazar have been closed. PURNENDU SEN GUPTA (E.S.P.), NIHAR CHAUDHURI, MADAN GOPAL BANERJI (E.S.P.) and HIREN DAS GUPTA do not visit this place any more. The publication of the proposed manuscript magazine has been deferred until such time as the activities of the Dipak Sangha are resumed and a new office is started.

RABI DATTA, AMAL SAMANTA, BRAJEN SEN, AMAL RAY CHAUDHURI and several other party members and sympathisers are freely associating with JN. NENDRA RAY CHAUDHURI of 5 Paddonath Lane who, according to NIHAR CHAUDHURI, has sympathy with the Forward Bloc. These men are regarded as vacillating elements in the party but no steps have yet been officially taken against them by the North Calcutta party. It is understood that PURNENDU SEN GUPTA has deputed CHANDI MITRA (E.S.P.) of the North Calcutta party and DIPAK SANGHA to watch the activities and movements of AMAL SAMANTA, RABI DATTA, BRAJEN SEN, AMAL RAY CHAUDHURI and other party sympathisers who associate with them in order to ascertain their attitude to the party.

According to PURNENDU SEN GUPTA (E.S.P.), he was approached by certain leading members of the North Calcutta Congress Committee and also certain Forward Bloc workers working in this Committee whose names he did not disclose, to raise money for the Indian National Army Defence Fund, but he evaded the request by telling them that he was busy and had no spare time to devote to the work of collection of funds. It is reported that BRAJEN SEN and AMAL SAMANTA have obtained a number of the I.N.A. Defence Fund coupons from SATY. KUMAR MUKHARJI, (incompletely identified), Assistant Secretary of the Ward No. 1 Congress Committee the office of which is probably situated at 6B, Nibedita Lane, Baghbazar. Both BRAJEN and AMAL are selling coupons and collecting funds.

BISTU DAS, (mentioned in para 289) is BISTU DAS GUPTA (incompletely identified) of a shoe-shop named Des Gupta Co. located on the eastern side of Cornwallis

SOCIALISM & COMMUNISM - 30.11.45.
3/2. Publications.

"Janayugad" dated 22.11.45 in its editorial headed "Is the Indian National Army an instrument for party squabbles?" depicts the attempt to utilise the spontaneous sympathy of the entire country for narrow party interests. Although the Communists have given their active support to the I.N.A. release and relief campaign the leaders of the movement are directing their attack against the Communists for the fulfilment of party interests. As an instance the paper says that AMIYA NATH BASU refused to issue I.N.A. fund coupons to BACHAN SINGH, a leader of the Bus Workers' Union on the grounds that he was associated with the Communists. As a result of this the I.N.A. fund is deprived of the help of the bus workers. Similarly the Communist students are not permitted to speak at the I.N.A. release agitation meetings. In Ripon College all attempts to secure coupons failed due to the directions of AMIYA NATH BASU. The R.S.P. students in the said college are raising funds on the basis of their own party coupons.

In an article headed "Sunil Chatarji, the best student in his class, the best worker of the village and the foremost revolutionary in the country is a prisoner for 15 years" the paper narrates the past terrorist activities of SUNIL CHATARJI and says that though he was an opponent of Communist ideology later on he studied the works of LENIN, MARX and

Miss MALABIKA DATTA of North Calcutta and Mrs. AMAR KUMARI VARMA of South Calcutta were each asked to enrol at least 100 volunteers from their respective areas. The volunteers were asked to practice the military song of the I.N.A. and to assemble again on 2.12.45 at Rash Behari Avenue Park, near the Jagat Sudhar Gurdwara, to receive further instructions. About 50 student of the Jadavpur College who attended the rally agreed to enrol 100 male volunteers. RAMEN DE chose the leaders of different groups of volunteers at the rally and the lady who came with AMIYA BASU had with her a list of different organisations and clubs who would supply volunteers on the occasion and AMIYA BASU fixed the quota for each.

Revised S.B. papers attached - Mr. Monorayan
 Bhattacharya who is the secretary of the Ward No 30 Hindu
 Mahasabha, Calcutta has applied for permission to
 be present at the I.N.A. Trial in the Delhi Fort.
 S.B. and M.B. reference notes on him may be seen
 in the folder below. It appears from the notes
 that he is a worker of the Hindu Mahasabha since
 1940. In view of the prominent attitude of the
 Hindu Mahasabha and the wide spread agitation their
 organisation has started for helping the I.N.A. men
 in particular in view of their proud declaration
 that the Hindus are responsible for the growth of the
 I.N.A., I do not think we should allow any
 member of the Hindus to attend this trial.

APD
 30/11/45

I don't think the undesirability of an applicant
 for a pass can be judged from his political opinions or sympathy
 with the accused but from a security point of view i.e., whether
 the applicant is likely to cause a demonstration in court
 or attempt to attack any of those present. If D.I.G. agrees
 there should not be any objection to the issue of a pass to
 the present applicant.

My dear Barnes,

Please refer to your demi-official
No. P.M. 868/45 dated the 21st November, 1945.

Government are advised that the

informed accordingly.

I may add that any recordings of
songs which are considered subversive or
seditious should be forwarded to Government
with a view to legal opinion being taken about

Dy. Commissioner's Remarks

problems which culminated in the last Bengal famine, have rendered their trusteeship invalid. The principle of trusteeship being not what could be done but what ought to have been done.

4. The Indians of all grades of opinion by the declaration of Independence and quit India slogan and by their demand of International arbitration and prayers of decade after decade have given serious warning to the British trusteeship with the only result that the affairs of India were pleaded to be only Britain's private affairs. So that, their being no superior power for redressing the distressed condition of India, Indians had no other alternative than to take the law in their own hands.

5. The representatives of the British Crown who are a party to the Suit cannot take the chair of judgment. The Court if at all, should be formed by international jurists chosen

P.T.O. →

4.
both by Indian public opinion and British
Crown - should be appointed as arbitrators.

6. The Crown's right to adjudicate Crown
versus cases does not apply here in this case.
Because there the Crown represents the
General public interests against the
particular interest of an individual
or a group of persons. Herein the opinion
of the entire nation being behind them
they (I.N.A.) represent the general interest
of the country and hence is the demand
for international arbitration of jurists.

7. The plea for the protection of the
minority interest - from the British
trusteeship cannot stand. Because the
guardianship of the interest of the minor
brothers does not vest upon the third
party but upon the brothers major. So
that the leaders of Indian opinion are
the true guardians of the minority
interest of the country.

8. Under the above circumstances,
the British trusteeship in spite of serious
warnings not having quitted India have by
their actions incurred the right of Indian
leaders to push them away by armed
aggression.

To Sir T. B. Saprú
The Members of the I. N. A. Defence Committee,
New Delhi.

For the Defence of the I. N. A. personnels the following points if possible may please be considered :-

1. The right to liberty under the modern
D. F. O.

The modern context is but an extension of the right of self-preservation. It is the right of preservation of the economic, cultural and other traditional entities of the Nation. So that if armed aggression is permissible in the case of self defence under the same analogy armed aggression is also permissible here in this case.

2. India being governed by an external power the allegiance of an Indian to the British Crown is not the same as that of a British subject to the British king. The allegiance notion of the subjects to the Crown is not bound up to the particular personnel of a king for the time being but to the Kingdom that is to say to the power maintaining the national peace and safety. An Indian's allegiance to an external monarchy will only be so long as it is not detrimental to the national interests of the country. An Indian's true allegiance is to the general national interest of India as a British subject's allegiance to the British Crown represents the national interest of that country.

3. The British trusteeship by their centuries long inefficiency and ineffectiveness in tackling the Indian problems

I am taking this liberty of

got a suggestion to make in connection
with the J.N.A. Defence Fund

Please approach the Promi-

Favourite stars might be requested to
attend the various Houses and collect money
in person. I think if the effort succeeds
a considerable sum of money can easily be
raised at the same time. I will kindly

up to now in Calcutta seem to be perfectly

Dear Sir,

After the formal opening of the office and publication of the names of the personals of your Committee, I think a time has come when Bengal should plunge in seriously to collect immediately the necessary funds. Myself being an ardent supporter of the cause and ~~keep~~ keeping in view the ~~immense~~ immense task of collecting a huge amount for this great cause. I am asking you to kindly clarify the following queries which will help the public to raise and subscribe to your fund according to the best of their abilities.

End

1. What is the difference between B.P.C.C. and this fund. Is the B.P.C.C.'s fund merely restricted for the defence of L.N.A. men in the present trial or for the future trials that ~~a~~ is proposed to be held in and outside India.
2. Does your programme of extending relief include Defence as spending for Defence is also a relief measure. If so why these two funds are maintaining separate existence?
3. The executives of B.P.C.C. nor the executive of your committee have given any official declaration about any specified amount that are proposed to be raised. What is the exact amount that you intend to collect?
4. Is your Committee ~~a~~ provincial committee only, if so then which is its central committee and ~~whether~~ whether such committees have already been formed in other Provinces also or if this Committee is an All India body then whether other provincial units have been set up or not?
5. In what basis your existing Committee is formed? When all the parties and even the factions have unanimously voiced in support of the L.N.A. and specially when your relief Committee has assumed seemingly a non-party colour, it is desirable that all the parties and factions should have at least one representation to show Bengals unanimity on the particular issue. (Of course I do not ~~intend~~ mean the "Peoples Warriors" when I say all the parties). But from the published list names representing some of the parties and factions are strikingly seems to be absent. May we know why these

A note on

Lieut. Jyotiranjana Sen Gupta of I.M.S.

Late of 4 Girish Vidyaratna Lane, Amherst St P.O.
Calcutta.

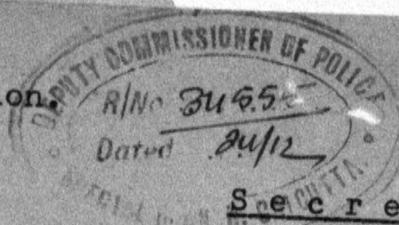

Jyoti Ranjan Sen Gupta, an East Bengal man, was born about the year 1908. His family settled down to live in Calcutta at 4, Girish Vidyaratna Lane off Upper Circular Road, and he graduated in medicine probably from the Medical College Hospital in Calcutta. On the outbreak of war he is presumed to have entered the Indian Medical Service and was posted to Singapore where he appears to have been attached to the 41st I.G.S. under Lt Col A.C. Chatterjee of the I.M.S.

In June 1942 he was in Singapore and some of his Calcutta relations, Sushil Kumar Sen Gupta and others living at 8 Peary Row, tried to correspond with him by post. He was taken prisoner by the Japanese at the time Singapore was occupied by them and there is no other information since available about him except what was occasionally supplied to his relations by the Indian Red Cross. On receipt of information in November 1944 from the I.B. a look-out was maintained by us here with a view to tracing him but to no effect so far.

Jyoti Ranjan Sen Gupta married Chhaya Debi in 1939 about six months before he joined the army, and his wife has been living at 4, Girish Vidyaratna Lane, Calcutta. In October 1945 one Santi Sen Gupta of the aforesaid address, her niece and a political worker who was the Assistant Secretary of Ward No. IX North Calcutta Congress Committee (and whose mother is the Vice-President of the Congress Committee in her native village, particulars unknown so far) addressed a letter in Hindi to Pandit Jawaharlal Nehru in Allahabad which Nehru sent enclosed in a letter to Asaf Ali, Bar-at-Law, Delhi. In this letter Miss Santi Sen Gupta makes an appeal to Pandit Nehru stating that her aunt, Mrs Chhaya Sen Gupta aged 23, was pining away and was disconsolate on account of her husband, Dr Sen Gupta, who had been suspected by the authorities as an I.N.A. man and was under detention for purposes of investigation; she requests Pandit Nehru to address Mrs Chhaya Sen Gupta a letter stating that he had taken up the cause and was making arrangements to save these patriotic I.N.A. men. His request to her to remain patient would surely console her bringing some relief to the wretched family. We learn from this letter that the Adjutant General, India, had written from Simla to Miss Sen Gupta stating that Dr Sen Gupta had been

Rm. 868/45
-ed and was detained now for purposes of investigation.

MADRAS POLICE ABSTRACT OF INTELLIGENCE

MADRAS, SATURDAY, NOVEMBER 17, 1945.

GENERAL POLITICAL FIELD.

Army

210. (a) Congress. (1) "Indian National Day" was observed on the 5th instant in Madras City and several places in the districts. Processions and public meetings were organised at which resolutions were passed appealing to Government to withdraw the charges against the ex-I.N.A. personnel as they were actuated solely by a desire for freedom for their country. Government were also warned that if these men were executed there would be another rebellion. Appeals were made to the public to contribute liberally to the I.N.A. Defence Committee Fund. Hartals were observed at some places and students abstained from attending class. Some students in Madura Town, at the instance A.V. Ayyavoo, M. Subbaya and others, henchmen of the notorious U. Muthuramalingam Thevar who that day had announced his temporary abstention from political activities, absented themselves from colleges and schools and threw stones at those institutions which did not close on the occasion. The following day they went about exhorting shopkeepers to close their shops, threw stones at a school that was not closed and caused damages, they also stoned a Police Party, smashed electric bulbs, cut telephone fuses and indulged in acts of incendiarism. The Police made a lathi charge without effect as the crowd had swelled considerably and became more violent. As the situation showed signs of becoming worse the Police opened fire which resulted in two deaths and three other casualties, tear gas was also used successfully to disperse the crowd. A Curfew Order was imposed and section 144, Cr.P.C. was enforced. On the 7th morning further instances of incendiarism and tampering with telephone and telegraph cables were noticed and the Police again used tear gas to disperse the mob. A.V. Ayyavoo and about 44 others were arrested; investigation into the disturbances is proceeding. As the situation had improved the Curfew Order was revoked on the 8th afternoon.

Jai Hind - Jai Hind - Jai Hind. (Glory to India)

March step by step.

Sing the songs of your Motherland

May your country be free

Sacrifice your life to this end.

Lions of India move forward

Do not even be afraid of death

Holding your heads high

Keep on increasing the love of the Motherland.

May your country be free

Keep on repeating the Jai Hind.

If any one stands in your way

Level him to the dust.

May your country be free

Keep on repeating the Jai Hind.

Come on crying "Come on Delhi"

With your own flag unfurled

Let us fix it in the Red Fort

And let it fly there

May your country be free

Keep on repeating the Jai Hind.

March on step by step

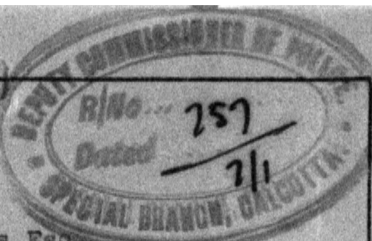

Sing the song of your Motherland

This life belongs to the nation

You give it up for the nation.

Dear Mr. Talukdar,

76126
With reference to my No.P.M.868/45 dated the 21st November, 1945 concerning the "I.N.A. Song" that the Gramophone Co. Ltd., Dum Dum wished to have recorded and your reply thereto, D.O. No.816-R dated the 6th December, 1945 the Manager of the Gramophone Co. now reports that the National Gramophone Record Manufacturing Co. Ltd., Bombay has released a recording of this song and from the point of view of business competition wishes to know what the position is. ~~Also~~ Enclosed is a cutting from the "Advance" dated 1.1.46 in which a reference is also made to a gramophone record of the "I.N.A. Song" in which it is stated that the profits from the production of this record will be credited to the I.N.A. Relief Fund.

I would be obliged of your opinion on the following points:

- (a) whether the fact that the record is now being produced in Bombay affects in any manner the opinion expressed to the Gramophone Co. Ltd., Dum Dum that it should not make gramophone records of the "I.N.A. Song" and
- (b) what action should be taken if any recordings ~~of the record~~ made in Bombay are offered for sale or otherwise found in Calcutta.

Yours sincerely,

Additional Secretary to the Government of Bengal,
Home Department,
Calcutta.

Rabindra Bysak - In Course of his speech said that today they are holding trial of the men of the I. N. A. The last war was fought for the sake of the freedom of the oppressed nations. Then I want to ask, did the men of the I. N. A. ~~did~~ not want liberation of their mother Country?

President. In Course of his speech said, that besides all these facts, today we have to consider, that had been been put under the same circumstances, as the I. N. A. we would have done the same thing what the I. N. A. did. The Norwegians, Belgians, French & many others, took the help of the British to regain their Country and the Englishmen helped them. They even established temporary their Govts. in England? Can it be called rebellion? Similarly Indians also, for the sake of the love for their Country, took the help of Japan. At the same time they did not want to establish Japanese rule in India. Therefore considering these facts the I. N. A. shd. not be branded or condemned. I say that they are our brethren, who without food, marched thousands of miles, to see their mother Country liberated. They are our revered ones, & if you punish them, it is our parishment. If the whole of the Country ^{unitedly} say "Do not punish them", then the Govt. will be compelled to release them. If the Govt. says today that they will give equal rights to us, then, why the force of a trial. Today every one will have to unitedly demand, asking the Govt. to leave this force: the whole Country shd. demand that they are our respected men, stop their trial & leave them.

Govt. rept. S. Ahmad & N.C. Dutta attended this meeting. As all the speeches were in Bengali, S. Ahmad, did not take notes. Sh. W. R. Ramkr. Biswas was also on duty.

really such men who wanted to
liberate their Country. They will ~~glorify~~
glorify the name of India, in the history
of freedom struggle. Congress has asked
for self determination, and is preparing
you for the forthcoming struggle. I want, in the end
that no harm shd. be fall on the men
of the I.N.A.

Hem Chandra Banerji. In course of
his speech said that after 3 years
I am welcoming the ^{no. 11} Congress Committee
the men of the I.N.A. Army, consists of those Indian
soldiers who were left behind in Burma.
If any ^{man} want to liberate his own Country,
is it rebellion? Is there any harm in
taking their help? But the Govt. is
holding a trial of those men at the
Red fort. A defence Council has been
set up for their defence. I appeal all
of you to help ~~in this~~ by contributing
in the Azad Hind Fund. Genl. Auchinbach
recently said that the army will be
indianised. I suggest that the I.N.A.
shd. be indianised, you shd. all
try, so that the Indian National Army
do not get Capital punishment.

All the speeches were delivered in Bengali.

Monoranjan Ray Chaudhuri, in course of his

speech said that some of the leaders of the Azad Hind Foj, who the British had left behind in Burma which leaving that place, are being tried today. Every where there is a mass movement, so that they may not be given Capital punishment, and for this purpose many eminent lawyers are defending them. Today, we have also to consider, whether it is worthwhile to imprison them. Those who wanted to liberate their Country, have been branded as rebellious. In this war, which has just ended, Britain, America, and all the allies said that they were fighting this war, to establish democracy. So, if the men of the Indian National Army, wanted to liberate their Country, is it a crime, or rebellion? The provisional Govt of India, was accepted by 9 countries. If this is a matter of great pride, for India, that there were

Hem Chandra Banarji, even suggested that the I.N. Army shd. be Indianised, as Genl. Auchinleck recently expressed his desire to Indianise the army. GRAMOPHONE & RADIO DEALERS' ASSOCIATION
(Affiliated to Bengal National Chamber of Commerce)

16, Mangoe Lane,
Calcutta, The 2nd Feb. 1946

Strictly Confidential

Messrs. The Gramophone Co. Ltd., &
Messrs. Columbia Graphophone Co. Ltd.,
33, Jessore Road,
Dum Dum.

Dear Sirs,

You may be aware that the INA march-song "Kadam Kadam....." has long been published in gramophone records by the National Recording Co. of Bombay. The tune of the song as has been recorded, leaves much to be desired, and, technically, also, the recording has been imperfect. In spite of those defects, the record is selling very well in Calcutta, the reasons being obvious.

I, therefore, beg to suggest that any of the patron-firms of this Association produce this record without the least delay, because, leaving aside the sentimental aspect of the matter, I feel that the dealers are sure to make of it a bumper. Should the dealers be deprived of such a golden opportunity?

It should be noted that no kind of ban has as yet been placed on this particular song, so far as I know. But regarding the possible consequences or otherwise, of the I.P.C., I am prepared to discuss with you personally at my office.

I should like to conclude by pointing out that should you miss, you will, perhaps, morally, owe an answer to the public.

Yours in co-operation,

Sd/-

Secretary.
